

**TAKE ACTION NOW to Save Farnham's Heritage!**

**Listed Building Consent Application WA/2017/2028  
Deadline date 8<sup>th</sup> December 2017**

**This application is on Waverley Borough Council's website for the demolition of the Redgrave Theatre buildings, Brightwells Garden walls and cottage and works to create two new restaurants at Brightwell House.**

The application is part of the East Street/Brightwells Scheme which would be detrimental to the character of Farnham. The following policies from **the National Planning Policy Framework** can be quoted in your response, but please add your own comments.

**HE3 (ii)** Theatres have the "*potential to be a catalyst for regeneration in an area, particular for leisure, tourism and economic development*". Waverley has consistently ignored this advice!

**HE7.3** Waverley should consider if the theatre "*may have a special significance to a particular community..... and should take reasonable steps to seek the views of that community*". Waverley has never asked Farnham's theatre supporters for their views!

**HE9.3** Waverley should make "*reasonable endeavours to find charitable uses or authorities willing to take on the heritage asset*". They have never done this!

**HE6.2** The Design and Access Statement does not contain an assessment of the impact of the loss of the theatre on the community who paid for its construction. This information is required by this policy!

**PLEASE state you are 'Objecting' to this application: You can either email your objection to [planconsult@waverley.gov.uk](mailto:planconsult@waverley.gov.uk) or write; (both have equal validity).** More than one person of any age living at the same address can object to the application.
